5 RENEWED PETITION UNDER 37 C.F.R. 1.47(b)

Dear Sir:

10 This is a Request for Reconsideration in response to the Decision of Refusing Status under 37 CFR 1.47(b) of December 12, 2002. Applicant has filed concurrently herewith a Petition for a four (4) month extension of time along with the requisite fee extending the date for response to June 12, 2003.

RECEIVED
NOV 17 2006
OFFICE OF PETITIONS

The Decision states that the Petition under 37 CFR 1.47(b) of September 7, 2001, failed to: (1) establish that the non-signing inventor was ever presented with the application for signature, (2) present an oath or declaration for the patent application in compliance with 37 C.F.R. 1.63 and 1.64, (3) show or provide proof that Oberthur
5 Gaming Technologies, Inc., (hereinafter "Oberthur") has sufficient proprietary interest in the subject matter to justify the filing of the application, and (4) provide a statement that "the filing of the application is necessary to preserve the rights of the parties."

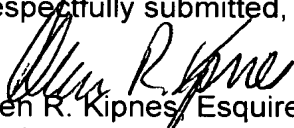

In response to the Decision, Applicant has filed herewith 1) a Declaration of Allen
10 R. Kipnes, Esq., Intellectual Property counsel to Oberthur, providing a statement regarding the presentation of the application to the sole inventor Liban Yusuf for signature; 2) a Declaration/Power of Attorney executed by Claude Lambert, Vice-President of Technological Development of Oberthur, in compliance with 37 C.F.R. 1.63 and 1.64; and 3) a Declaration of Claude Lambert, providing a statement establishing
15 Oberthur's sufficient proprietary interest in the subject matter, and the necessary statement that "the filing of the application is necessary to preserve the rights of the parties."

Applicant reiterates that, despite all these efforts, Mr. Liban Yusuf has refused to
20 cooperate and all efforts to discuss this matter have been unfruitful. Under these circumstances, Applicant respectfully requests for a renewed petition under 37 CFR 1.47(b) so that the unsigned Declaration/Power of Attorney of Mr. Yusuf be entered on the record and that the filing date of January 2, 2001 be confirmed.

Since the Official Fee for the Petition has been charged and the requisite fees for extending the date for response and for reviving the application for patent abandoned unintentionally, are enclosed herewith, it is believed that no additional fee is due.

5 However, if any additional fee is due, it should be charged to Deposit Account No. 23-0510.

Respectfully submitted,

Dear Sir:

I, Claude Lambert, declare and say as follows:

NOV 17 2006

OFFICE OF PETITIONS

1. For all times relevant herein, I have been the Vice-President of Technological Development of Oberthur Gaming Technologies, Inc, the owner of the above-identified patent application. Based on information and belief, Mr. Liban Yusuf, the inventor of the subject matter claimed in the above-identified patent application has
5 refused to execute the Declaration/Power of Attorney, which is required for submission to the U.S. Patent and Trademark Office.

2. On information and belief, I am of the view that Mr. Yusuf is the sole and first inventor of the subject matter of the present application and have no information
10 other than what is of record in the present application to suggest otherwise.

3. I am aware that the U.S. Patent and Trademark Office has requested evidence that the invention covered by the above-identified patent application was assigned to Oberthur Gaming Technologies, Inc.
15

4. I am enclosing herewith a copy of an Assignment from Liban Yusuf to Oberthur Gaming Technologies, Inc. assigning all non-patent and patent rights in Mr. Yusuf's project entitled "Ancient Treasures" which was submitted as part of a contest sponsored by Oberthur Gaming Technologies, Inc. entitled "Winning Concept 1999".
20

5. Mr. Yusuf was presented a check in the amount of \$2,500 as full payment for the Assignment of all rights which was forwarded to his home address on September

27, 2000 by Lyse Trudel, Public Relations Officer of Oberthur Gaming Technologies, Inc. A copy of the check and letter from Lyse Trudel to Mr. Yusuf is also enclosed.

6. On information and belief, the subject matter of the present application
5 embodies the concept of "Ancient Treasures" presented by Mr. Liban Yusuf as an entry
in the "Winning Concepts 1999" contest sponsored by Oberthur Gaming Technologies,
Inc. I submit that the evidence of the Assignment presented herein is proof of Oberthur
Gaming Technologies, Inc.'s proprietary interest in the subject matter of the present
application.

10

7. Pursuant to my accompanying Declaration, I believe that Oberthur
Gaming Technologies Inc., has sufficient proprietary interest in the subject matter of the
present application for me to execute the Declaration/Power of Attorney for filing in the
present application, and that the filing date of the present application is necessary to
15 preserve the rights of Oberthur Gaming Technologies, Inc. and to prevent irreparable
damage which could occur since commercialization of the claimed technology has
taken place.

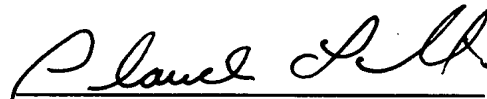

8. In support of the accompanying Petition for Revival of an Application for
20 Patent Abandoned Unintentionally under 37 C.F.R. 1.137(b), I submit that the entire
delay in filing the required reply from the due date for the reply until the filing of a
grantable petition pursuant to 37 C.F.R. 1.137(b) was unintentional.
